#### **REMARKS**

In accordance with 37 CFR 1.821, a substitute “sequence listing” is submitted herewith in response to the raw sequence listing report dated September 28, 2000. It is respectfully requested that the sequence listing be entered into the application. The initially filed sequence listing did not contain the sequences appearing in the claims and specification. The presently filed sequence listing includes the initially filed sequence listing plus 15 additional sequence listings for sequences appearing in the originally filed specification and claims but not properly identified, respectively, SEQ ID NO: 3 through SEQ ID NO: 17.
